Chapleau Valu Mart and President's Choice Children's Charity helps local child

Helping kids do anything™ is not just a tagline for President's Choice® Children's Charity, it's their passion. Today, Mathieu Desormiers, assistant store manager and Lynn Bignucolo store owner presented the Ferderber-Paypompee family

toward supporting Ontario families whose children have physical or developmental disabilities, as well as nutrition programs aimed at fighting childhood hunger. In 2013, the President's Choice® Children's Charity proudly granted almost \$6.1 million to 984 families and 1,100 nutrition programs, which feed over 216,390 children in Ontario. Since 1989, the charity has awarded \$100 million, supporting more than 1.8 million children across Canada. For more information on the President's Choice® Children's Charity or to donate online, visit pc.ca/charity.

"It's wonderful to be able to help a child reach their full potential. We are so proud to partner with President's Choice® Children's Charity and to help children right here in our own community," says Richard Bignucolo.

The team at Chapleau Valu Mart has raised money towards this gift through the generous support of our customers during in-store campaigns, direct employee contributions, Pie the Boss and a Barbeque.

One hundred per cent of funds raised by President's Choice® Children's Charity in Ontario go directly

President's Choice® Children's Charity is committed to helping kids across Canada live life well.

Through our grants for disability and donations to programs that fight childhood hunger, we want to help as many children as possible – ultimately having a positive impact on the

next generation of Canadians," said Peggy Hornell, executive director, President's Choice® Children's Charity.

In Ontario, Loblaws®, Zehrs®, Your Independent Grocer®, valumart®, Fortinos®, Real Canadian Superstore®, Real Canadian Wholesale Club® and nofrills® stores are corporate and franchise banner stores of Loblaw Companies Limited. Fundraising initiatives in support of President's Choice® Children's Charity are just one example of how the Company and its banners continues to be active in communities on a national, regional and local level.

Former Trinity United Church minister Rev. Dr. Murray Arnill dies

Murray Arnill (left) and Brigadier General Bruce Clement look on at dedication ceremony at opening of new Chapleau High School in 1966 by Legion president Henry Therriault (far left). Flag bearers were Marjorie McRea and Andre Renaud

By Michael J. Morris
The Reverend Dr. Murray Arnill who was minister at Trinity United Church in

Chapleau from 1966 to 1972, died Monday, April 14, 2014 surrounded by his loving family.

During his time

in Chapleau, the Christian Education addition to the church called Trinity Hall was opened in 1969.

Very much a part in community affairs, Murray served as a member and chair of the Chapleau Board of Education, president of the town hockey league, and chair of the winter carnival committee, among other activities including the Boy Scouts.

In 1971, he was elected as one of five adults on an advisory board to Chapleau Youth Action, by the young people of Chapleau.

Coffee houses for youth in the church basement were the place to be on weekends during his time in Chapleau.

Murray became chancellor of Huntington

University later in his career and was awarded a doctorate degree.

Here is an obituary, prepared by his children which sums up Murray so well:

"Dad is survived by his children Catherine Hill (Francis) of Uxbridge, Tim Arnill of Newmarket, Barbara Taylor (Rob) of Barrie, The Rev. Mark Arnill (Janyce) of Deseronto and by his 14 grandchildren who love him and will miss him.

"A poet, a friend, a Dad, a shepherd, a mentor and a fellow traveller; with humble joy and hard work, Dad served the various churches and larger body of believers as he worked throughout northern Ontario during his

ministry and well into retirement.

"His door was open to both friend and stranger alike and the coffee was always on. It is with sadness that we acknowledge his death. It is with thankfulness that we celebrate his life. And it is with a certain sense of awe that we acknowledge Dad's amazingly wide open arms that welcomed any and everybody. Our family is huge! Thanks Dad. Well done, good and faithful servant!"

Family and friends were received at the LOW & LOW

FUNERAL HOME, 23 Main St. S., Uxbridge (905-852-3073) for visitation on Friday, April 25, 2014 from 2-4 p.m. and 6-9 p.m.

Funeral service was to take place Saturday, April 26, 2014 at Trinity United Church, 20 First Avenue, Uxbridge at 1 p.m. with a reception to follow in the church hall. In lieu of flowers, memorial donations to Huntington University, Sudbury or your local church would be appreciated. For online condolences, please visit www.lowandlow.ca/12749043

Letters to the Editor

As president of the Chapleau Gymnastics Club, I am writing this letter to give people in Chapleau an insight into our club activities.

The gymnastics club has operated yearly in Chapleau since as far back as I can remember. We have always offered a variety of classes to the children of our community, ranging from Kindergym for the young ones, to advanced gymnastics and trampoline. We have always enjoyed operating this club for the enjoyment of the youth of Chapleau and all at a reasonable cost.

However, if things continue as they are, we will not have enough coaches for the

2014-2015 season. If the club only has two coaches for next year, some classes will have to be cancelled. So this is our call out for coaches. In order to be a coach, you have to attend a weekend class held by the Ontario Gymnastics Federation. Courses are given year round, throughout Ontario. The Club would provide all travelling costs, meals and lodging. Also you do not have to be a Mary-Lou Retton or a Kerry Strug in order to be a coach. The OGF will teach you how to plan class lessons, how to spot gymnasts and everything else you need to know in order to coach a class. The only

other thing you would need is a criminal check. First Aid and CPR are beneficial but not necessary.

The gymnastics season usually starts in September and finishes in April, with classes usually held on one or two nights a week. Coaches with one class would be looking at about a 2.5 hour per week commitment. Coaches are also reimbursed for their time by the club. Coaching is also very rewarding, we are a recreational club, not competitive, and classes are fun and enjoyable for all involved.

The Club is holding their Annual General Meeting following our banquet on May 1, 2014 at 7:00pm at the Chapleau

Recreation Center, the meeting is open to the public and we invite anyone interested in coaching, assisting and/or volunteering to attend the meeting. If you are interested but cannot attend the meeting, you can message us on our facebook page, Chapleau Gymnastics Club, or you could email me at natmarcou@hotmail.com The only two strict requirements for coaching are that you have to be at least 16 years of age and have a clean criminal check.

So, please come out and support your Gymnastics Club. Thank you, Nathalie Barsalou President of the Chapleau Gymnastics Club

THANK YOU

The family of the late Claire Tokarchuk would like to express our sincere and heartfelt thanks for the support and acts of kindness during this difficult time. Thanks for all the cards, charitable donations, food, kind words, the CWL for prayers at the funeral home and Father Sebastien for his many visits and church service. Thanks to Dr. Steven Saari for his exceptional care over the past years, the nurses, all the staff at Chapleau Gebrnal Hospital and Valerie Fahrner of Gilmartin Funeral Home.

Chapleau on national sports championship map as Doug Hong curls and Jason Ward plays hockey

Chapleau Moments

by Michael J. Morris

Chapleau has been on the national sports map in hockey and curling from Whitehorse, NWT to Dundas, ON, in 2014 as Doug Hong and Jason Ward were members of winning teams.

Doug was the lead on the Northern

Ontario bronze medal winning team at the Canadian Senior Curling Championship while Jason played for the Dundas Real McCoys who won the Allan cup, emblematic of senior hockey supremacy in Canada since 1908.

Charlie Purich and Ray Larcher pose with Allan Cup

Doug Hong ready to shoot (Courtesy John Theriault)

Doug, of course, for the few who may not know him, is from Chapleau, a member of the Hong family, outstanding athletes all. His grandfather established the Boston Café now the Redwood, and operated by his father Jim.

As an aside, Doug played on the last hockey team I coached in Chapleau.

When I learned from Doug's cousin Kim that he would be playing in a national curling championship I contacted him.

Doug replied: "The team that represented N.O. last year did not fare so well therefore, we have to go up there early to play in the relegation round. Double knock out, four teams for two spots. Hope to get through that and play in the round robin Championship."

That proved to be an understatement, according to a Sudbury Star story by Bruce Heldman who wrote: "The Northern Ontario reps won bronze the hard way, playing a possible record 16 games at a national event after three pre-qualifying games, 11 round-robin games, a tiebreaker and a semifinal, all in nine days."

Doug also won the Most Sportsmanlike Player Award.

"You only have to be around Doug for a short while and you have a smile on your face," Robbie Gordon one of his teammates told the Sudbury Star. "He keeps the atmosphere light and shoots well and sweeps like a dog and has a great eye

Jason Ward and Charlie Purich at Allan Cup

for the stone and what it is doing and has physical strength unmatched in any senior curling I have seen. It is important to have someone like that on your team."

"Doug has been to five Canadian events and that is the third time he has won the sportsmanship award, and that is voted on by the players, so that tells you everything," Ron Henderson added in the Sudbury Star story.

Turning to Jason Ward and the Allan Cup, Charlie Purich kept me informed on the series played in Dundas where he lives.

After the Real McCoys defeated the Kenora Thistles in the semi final game, Charlie sent me an email, "Jason Ward got one goal and three assists."

Born in Chapleau, Jason played in the National Hockey League for the Montreal Canadiens and other professional teams. Charlie, who worked as a volunteer at the Allan

Cup, had met Jason earlier -- although they did not know each other in Chapleau. Small world!

Charlie still plays hockey and for about 50 years he has been the "catalyst" wherever he played -- and as a volunteer at the Allan Cup too.

In the final game against Clarendville Caribous from Newfoundland and Labrador, the Real McCoys won their first ever Allan cup with a 3-2 overtime win.

Charlie's final sports bulletin: "Ray Larcher, my grandson Finn and I watched Jason and the Real

McCoys win the Allan Cup in a thrilling overtime to defeat a strong team from Newfoundland."

Ray, who was a hockey star in Chapleau playing for the Chapleau Junior "B" and Intermediate "A" Huskies had sent me a message on Facebook that he would be there.

Congratulations to Doug Hong and Jason Ward on their success, and thanks to Charlie Purich and Ray Larcher. That old saying was never truer: "You can take the boy out of Chapleau, but you can't take Chapleau out of the boy". My email is mj.morris@live.ca

NEWS FROM THE PARK BY Mike Mantha

Provincial Member of Parliament for Algoma-Manitoulin

While the Liberals and Conservatives continue to battle it out in a "he said, she said" libel lawsuit over gas plant scandal accusations; New Democrats continue to listen to your concerns and take action.

This week my colleague MPP Sarah Campbell, Kenora Rainy River, used her Private Members slot to put forward a motion to establish a Select Committee on Winter Road Maintenance and Contracts. I can tell you that over the winter months my office has been flooded with complaints regarding the dangerous road conditions throughout Algoma-Manitoulin and northern Ontario. Many of you took photos of the roads you were traveling and sent them in. **New Democrats**

launched the Northern Road Report in 2011 and have continued to collect information and complaints. We routinely take these photos and complaints and present them to the Ministry of Transportation as evidence of the broken road maintenance system in Ontario.

In February of 2014, MTO announced financial discipline for four contractors in northeastern Ontario and three in the northwest. While we welcome this sort of accountability and penalty given for failing to provide service, we believe that measures need to be taken to ensure that this doesn't continue; especially when people's lives are at risk.

Continued privatization of winter

Ontario Road Maintenance continue to be a concern

road maintenance has resulted in more road closures and heightened the risk to motorists. Northerners are experiencing more closures than ever because roads are not being cleared in a timely manner. As northerners we know we have to travel longer distances to get to services and we face longer and harsher winters which makes it much harder to get around. The Liberals have lowered the standards in the new performance based contracts and it is unfair that they are putting a price tag on safety.

Currently, the province hires contractors to plow and salt the roads; however, the province doesn't tell these contractors how many trucks to use or how many employees they should have but judges their work on whether or not the roads are cleared and the plows are running. The province has different standards for different classifications of roads. Those classifications

range from "Class 1" to "Class 5." Classification of the road will determine the timeframe for clearing and salting.

As northerners we understand that we will face harsher winters and the inevitable snowstorms. However, when the government continues to privatize services to companies who fail to provide the service, it's unacceptable. Too many people have lost their lives in tragic accidents like the one I spoke about in the legislature this week. To hear some of the story a volunteer firefighter from Wawa sent to me visit: <https://www.youtube.com/user/MichaelMantha>

Too many first responders have witnessed the carnage resulting from poor road conditions, and too many families have lost their loved ones. As legislators it is our responsibility to ensure that our provinces'

winter road maintenance system is working, and contractors are fulfilling their obligations, and most importantly that drivers are safe. This debate and vote will continue next week.

As always,

please feel free to contact my office about this issue or any other provincial matters. You can reach my constituency office by email at mmantha-co@ndp.on.ca or by phone at 705-461-9710/1-800-831-1899.

Youth Charged With Theft Of Fentanyl

On April 16, 2014 at 12:30 am, officers from the Ontario Provincial Police (OPP) Superior East Wawa Detachment were advised that Fentanyl patches had been stolen from a residence in the town of Chapleau.

Investigation led to the arrest of a 17-

year-old youth and some of the patches were recovered. OPP continue to investigate for the outstanding patches.

The accused stands charged with the following offences:

- Theft Under \$5,000 as per s. 334(b) of the Criminal Code (CC);
- Failure to comply

with disposition – 3 counts, as per s. 137 of the Youth Criminal Justice Act (YCJA); and with

- Possession of a Schedule I Substance – Other Drug as per s. 4(1) of the Drug Controlled and Sub-

stance Act (CDSA).

The youth was released from custody and is scheduled to appear in Chapleau, Ontario at the Youth Court of Justice on June 18, 2014.

The CDSA prohibits anyone from

possessing any prescribed medication without a prescription. It is a criminal offence to offer or sell a prescribed medication to another person. When prescription medication is taken as prescribed it is safe. It is the misuse of the drug that is dangerous.

Police urge citizens not to keep expired/unused/replace d medication at home

and to not dispose of such medication in the garbage. Any prescription medication can be returned to a pharmacy at any time. People can also return medications to hospitals or medical clinics or during a prescription drug drop off/take back program in their municipality. The 2014 Prescription Drug Drop Off is scheduled for Saturday May 10, 2014.

THANK YOU

René and Gert would like to convey our gratitude to our dear children, grandchildren and great grandchildren for a great party on the occasion of our 60th anniversary, we are so blessed. Bob, Annette and family thank you all for being there, love you all. The entertainment was so sweet.

What's your favourite?

Les Services de santé de Chapleau seront complètement sans fumée à compter du 1er mai!

En tant qu'organisme de soins de santé, nous nous concentrons principalement sur la santé de notre communauté et c'est pourquoi il ne sera plus permis de fumer où que ce soit sur la propriété des Services de santé de Chapleau Health Services (SSCHS). Depuis bien des années, il est interdit de fumer à moins de neuf mètres de toute entrée; néanmoins, nous emboîtons maintenant le pas à bon nombre d'autres hôpitaux de l'Ontario et nous interdirons aux gens de fumer où que ce soit sur la propriété des SSCHS à compter du 1er mai. Cette interdiction vise l'Hôpital Général de Chapleau, le Centre médical de Chapleau, la cour de la Résidence Bignucolo et les zones qui étaient auparavant désignées comme des zones fumeurs. Cette interdiction de fumer visera aussi les terrains de stationnement et les véhicules personnels stationnés sur la propriété des SSCHS. Tous les patients, visiteurs et membres du personnel devront quitter complètement la propriété de l'hôpital s'ils veulent fumer.

On pourrait demander aux personnes qui contreviennent à cette politique de quitter les lieux et, si elles ne se conforment pas à cette politique, on pourrait aussi leur remettre une ordonnance d'interdiction d'accès aux lieux.

Tous les membres du personnel infirmier de l'Équipe de santé familiale sont formés pour offrir le programme de renoncement au tabac « STOP » aux patients inscrits de l'Équipe de santé familiale. On encourage les gens de la communauté qui ne sont pas inscrits auprès de l'Équipe de santé familiale à voir leur médecin de famille au sujet des moyens qui pourraient les aider à cesser de fumer. Veuillez visiter notre site Web (www.sschs.ca) pour plus de renseignements.

Nous remercions les gens à l'avance de leur appui pour garder un milieu sain et sans fumée.

Chapleau Health Services will be completely smoke-free by May 1st!

As a health care organization, our primary focus is the health of our community and it's for this reason that smoking will no longer be permitted anywhere on SSCHS property. For many years, smoking has been banned within nine metres of any entrance; however we are following the lead of many Ontario hospitals, and will be banning smoking anywhere on SSCHS property, effective on May 1st. This includes Chapleau General Hospital, Chapleau Medical Center, Bignucolo Residence Courtyard, and areas previously designated as smoking areas. The smoking ban will also include parking lots and personal vehicles parked on SSCHS property. All patients, visitors and staff members will be required to leave the hospital property entirely, if they wish to smoke.

Violators of the policy may be asked to leave the property and also may be given trespassing orders if they do not comply with the policy.

All nurses at the Family Health Team are trained to offer the "STOP" smoking cessation program to rostered patient. Community members who are not rostered with the Family Health Team are encouraged to see their family doctor regarding options that may help them in their efforts to quit smoking. Please visit our website (www.sschs.ca) for further information. We thank everyone in advance for your support in maintaining a healthy, smoke-free environment.

CHADWIC HOME, FAMILY RESOURCE CENTRE. Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Homepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Ontario Reducing Moose Tags for 2014 Aerial Surveys Show Declines in Northern Ontario

To ensure moose populations remain healthy and resilient, Ontario is reducing adult moose tags across the province by about 18 per cent for 2014.

The reductions are in response to declining moose populations in northern Ontario, which were noted by provincial biologists during this winter's annual aerial surveys. The largest tag reductions will occur in areas with the largest declines.

Ontario has been working with key stakeholders and the hunting community to respond to these changes and plans to seek public input this summer on next steps.

For more information about the moose tags available in your area, see the 2014 Hunting Sum-

mary Regulations at ontario.ca/hunting. Ontario's moose draw opens on April 22, 2014.

Ontario's moose population has remained relatively stable over the past decade; however, most areas of north-

eastern Ontario and the more accessible parts of northwestern Ontario have recently been showing signs of decline.

Many factors can contribute to population shifts, such as harvest, predation, parasites, habitat condition and low calf numbers.

Ontario continues to set long-term population targets and look at how and when moose can be hunted in this province through its Moose Project.

Tembec is a manufacturer of forest products — lumber, pulp, paper and specialty cellulose — and a global leader in sustainable forest management practices. Tembec has operations in North America and France with some 3,500 employees, is listed on the TSX and has annual sales of approximately \$1.6 billion.

Our Forest Management Group is looking for an experienced individual to join us in our **Chapleau Sawmill**.

Shipper

Drawing on your 2 years of related experience, you will ensure that customers receive their products on time by coordinating mill forecasts with customer requirements and equipment availability. You have a college diploma in a related field or an equivalent work background. Bilingualism (English and French), and knowledge of Scoopsoft, Word and Excel are considered assets.

Please visit our website to see the complete description and to apply before **May 2, 2014**.

Tembec is an equal opportunity employer.

Rooted in tomorrow.

Tembec Inc.
175 Planer Road
P.O. Box 280
Chapleau, ON

Tembec est une société intégrée de fabrication de produits forestiers — bois, pâtes, papier, cellulose de spécialités — comptant des clients partout sur la planète. Tembec possède des usines en Amérique du Nord et en France et compte quelque 3 500 employés ; elle affiche un chiffre d'affaires annuel d'environ 2 milliards de dollars et est inscrite au TSX.

Notre groupe de la Gestion forestière est à la recherche d'une personne compétente pour se joindre à l'équipe de **l'usine de sciage de Chapleau**.

Expéditeur

Mettant à profit vos 2 ans d'expérience dans un domaine connexe, vous veillerez à fournir à nos clients leurs produits au moment voulu en coordonnant la production prévue de l'usine avec les demandes de la clientèle et la disponibilité des équipements. Vous détenez un diplôme collégial dans une discipline appropriée ou une expérience de travail équivalente. Le bilinguisme (français et anglais) et la connaissance de Scoopsoft, Word et Excel constituent des atouts.

Consultez notre site web pour voir la description complète et les exigences de ce poste, et pour postuler avant le **2 mai 2014**.
