Chapleau "Taste of the North" Winter Carnival well attended

The Snowmobile races sponsored by the Chapleau Arctic Watershed Snowmobile Club kept the crowd who gathered at the waterfront entertained all day.

By Shelley Martel

This year those who participated in the Winter Carnival really did get a Taste of the North.

The recent snowfall, cold temperatures and biting wind attempted in vain to put a damper on the festivities. Chapleau citizens were out in full force to enjoy the Carnival as Carnival Badge sales were up by 20-30 from last year.

Local schools organized their own traditional Carnival events which gave many children a chance to participate in a variety of indoor and outdoor activities as well as start the momentum for the rest of the weekend.

The Annual Torch Light Snowmobile Parade, which was well attended with

approximately 50 snowmobiles, ended in the lighting of the bonfire at the arena, symbolizing the beginning of the fun.

As the bonfire began to dwindle, large group of kids of all ages signed up for the Skills Competition inside the arena to test their skating and hockey skills and have fun with their friends.

Once the vocal chords were warmed up, over two dozen Karaoke stars entertained in the Community Hall.

The adults got into the action with the Old Fashioned Broom Ball games. The evening ended with victory for the Darryl Brunette Team, which incidentally included one very brave girl.

Teams from all over arrived for the Men's Hockey Tournament. Many familiar faces came

home, some of them bringing their own teams, to compete and take part in the festivities.

Friday night was a real test for the true Northerner. Outdoor activities in the evening included a Snowmobile Poker Run and a Moonlight Snowshoe Walk. Both events were attended by well over a dozen people despite the bitter temperatures.

The big video screen in the Community Hall drew crowds of all ages to the various video dances which took place each night. The Snowmobile Race awards were presented there on Saturday evening.

The Odd Fellows started off the weekend with a delicious breakfast platter big enough to share. Whether playing hockey,

curling, or spending the day at the snowmobile races, the hot meal and their friendly service kept your insides warm.

The Snowmobile Races, which drew competitors from Timmins, Wawa, and Manitowadge, went on from early morning until evening. The waterfront was a busy place all day as red-cheeked onlookers cheered on the 39 registrants, including two children.

If, during the day at the arena, you happened to see people sporting different kinds of headwear, they probably were the curlers. The curling rink was a hub of activity all weekend as 16 teams competed against each other while people dropped in to watch and socialize.

The children's activities proved to be very popular once again this year as 120-

The Skills Competition at the Moore Arena is getting more popular every year. This year, 51 participants competed for prizes from backpacks to vouchers for skate sharpening.

130 kids let loose in the Community Hall while some very serious hockey was being played in the arena.

A Ladies' Sponge Puck game gave the women their turn on the ice and a chance to compete and have fun.

Word must have gotten out because the Odd Fellows had a much bigger crowd to feed on Sunday morning. A hearty breakfast provided the energy to get through the rest of

the weekend.

As a new entry to the schedule this year, Chapleau High School threw a sliding party with lunch available in the Cafetorium. Those who attended had a ball and are looking forward to next year already.

While some were sliding, others were skating. Over 60 people laced up for the Family Skating hour.

The big screen was lowered once

Men's Hockey Tournament ended in a \$1400 prize for the Wawa team. Teams came from as far as Barrie to participate and the stands were constantly populated with fans.

LETTERS TO THE EDITOR

Thank you in advance for the space in your paper so I may respond to the letter regarding the "Catholic Rectory" as a walk way dated January 28th, 2006.

What a shame it is that one cannot open his heart to allow passage through the property known as the "Catholic Rectory".

There has been passage through this property for as long as anyone in Chapleau can remember. Let us not forget that this residence was built, bought and paid for by the Catholic community of Chapleau.

Although I do support the plea to stop the use of the veranda

and snow machine passage, I am sure that this usage is at a minimum. Perhaps a "Polite" sign may work as a suitable deterrent.

After several discussions on this matter with many members of our dwindling congregation, many feel the same way.

I pray that the

Holy Spirit's enlightening powers will come through and open one's heart towards the way of acceptance and tolerance of others along with increasing the welcoming atmosphere in and around the Church.

A practicing Catholic of this Parish

I would like to thank Rosie Cloutier, Lynn Landry, Micheline Guertin, Natasha Comte, Sasha Doyon, Andrew Dunker, Brenda Lindquist, Meagan Corston, Meagan Jean, Amanda Jean, Lucette Mainville, Jason Bowes, Valerie Morris and Tyler Bertrand who volunteered with the children's activities and youth dances. Chapleau "Taste of the North" Winter Carnival well attended

The Annual Old Fashioned Broomball Game added a nostalgic touch to the Winter Carnival

Cont'd from P.1
 again on Sunday afternoon where 100 people came in from the cold to watch the movie Zathura and take a breather.

You can't mention Taste of the North without including the meals which were offered

throughout Carnival weekend.

The United Church Bean Supper kicked off the Carnival with their very popular meal, which has become a tradition every year. Local restaurants put on their own Carnival Specials while the

Legion's Roast Beef Dinner reportedly "melted in your mouth."

Another Carnival meal tradition is the well known Spaghetti Supper at the Moose Hall. This, as well as a bingo which followed, kept the Carnival fun until the very end.

Trillium: école d'accueil pour le tournoi NSSSAA

Première rangée: Nikita Boucher, Sarah Doyon, Marlee Bowes, Samantha Larivée, Mélanie Noël. En arrière: M. Yves Boucher (entraîneur), Jessica McAdam, Maegan Corston, Carla Robitaille, Annie Lafrance

Contrairement à l'article publié dans le Chapleau Express la semaine dernière, ce n'est pas Chapleau High School mais plutôt l'École secondaire catholique Trillium qui s'est méritée d'être hôte pour le tournoi

NSSSAA volley-ball et basket-ball les 14 et 15 février dernier. En remportant la première place de la Division Est de la NSSSAA dans la catégorie volley-ball senior féminin les Coyotes de Trillium accueillent des

équipes de cinq autres écoles (Marathon, Nipigon-Red Rock, Chapleau High, Manitouwadge et Hornepayne).

Les championnats NSSSAA en volley-ball féminin eurent lieu à Trillium le mardi 14 février. À leur premier match, l'équipe de Trillium s'est inclinée devant l'équipe de Nipigon-Red Rock. Après avoir pris une avance au deuxième set, les Coyotes n'ont pas su freiner la remontée des filles de NipRock. Au dernier match de la journée, les Falcons de Marathon et l'équipe hôte, les Coyotes de Trillium se disputaient le deuxième rang. Quelques jeux nonchalants et quelques

cartes jaune et rouge plus tard, Marathon avait signé la victoire. La journée se termina avec les Lakers de Nipigon-Red Rock remportant la bannière dans les catégories junior et senior! L'entraîneur, M. Yves Boucher, s'est dit satisfait de la saison. "C'est un pas de plus que l'année dernière. Cependant, on voit qu'il y a du travail à faire et qu'un engagement d'une équipe entière est nécessaire pour remporter la médaille d'or dans le futur."

Le lendemain, Trillium était à nouveau l'école d'accueil pour les championnats NSSSAA de basket-ball masculin. Les matchs

de 90 minutes débutèrent et les Falcons junior de Marathon remportèrent la bannière. Au niveau senior, les Lakers de Nipigon-Red Rock étaient fiers de retourner chez eux avec une troisième bannière!

Trillium tient à remercier M. Richard Beaudoin, le président

d'assemblée pour ces championnats. Tout s'est bien déroulé! Un merci aussi à Katrina Boucher, Sarah Doyon et Nicole Bouchard pour les décors ainsi que Mme Doris Boucher pour son aide dans l'organisation de ce tournoi. Allez-y les Coyotes!

**REPORT from
OTTAWA
by
Brent St. Denis**

Federal member of Parliament
Algoma-Manitoulin-Kapuskasing

**ST. DENIS DEFENDS
FORESTRY
INDUSTRY**

Espanola, Ontario, February 16th, 2006 Brent St. Denis, MP for Algoma-Manitoulin-Kapuskasing is urging Prime Minister Harper to address the needs of Northern Ontario's Pulp and Paper and Forestry Industries. In an open letter to the Prime Minister, Mr. St. Denis expressed concern over the Conservative government's stance on the softwood lumber issue.

"I was concerned by your party's election stance on the softwood lumber issue," wrote Mr. St. Denis. "Your commitment to resolving the trade dispute with the United States is commendable, but your approach seems to lack a clear contingency plan."

The \$1.5 billion Forest Industry Competitiveness Strategy, introduced by the Liberal government in November 2005, includes measures for pulp and paper and provides \$581 million to support forest-dependent communities, market diversification and incentives for innovation in the forest industry, including incentives for bioenergy production.

The strategy also provides funds to facilitate up to \$800 million in loan insurance and provides \$100 million for a repayable contribution program for firms affected by the unique circumstances of the softwood lumber dispute. Through the Forest Industry Competitiveness Strategy, the government is also helping to ensure that Canadian companies benefit from breakthrough technologies that have the potential to transform the forest industry's products and production processes, and to lessen its environmental footprint.

"The goal of the

former government was to reinforce these pillars of the Canadian economy and provide peace of mind to communities, particularly in Northern Ontario and rural Canada, affected by the softwood lumber dispute," continued St. Denis.

One of the most troubling aspects of the Conservative government's stance on the softwood lumber issue is the proposed \$500 million cut to this Forest Industry Competitiveness Strategy. The Conservative plan pledges \$1 billion in aid for the forest industry, whereas the Liberal government had already committed \$1.5 billion. Such a reduction in aid would dramatically and disproportionately affect the communities and people of Northern Ontario.

"Now more than ever, my constituents need to know that their government will support them by taking a proactive approach to the pulp and paper and softwood lumber industries through a comprehensive program such as the Forest Industry Competitiveness Strategy," added St. Denis. "[...] Given the enormous stakes at play in the forestry-dependant communities in my riding and across Canada, I urge you to fully honour the previous government's commitment to the forest industry."

Mr. St. Denis hopes the Prime Minister will consider the needs of the people of Algoma-Manitoulin-Kapuskasing and maintain the level of funding already committed by the Government of Canada. Maintaining the Forest Industry Competitiveness Strategy will be the first test of the Conservative government's commitment to the people of Northern Ontario.

Ouverture officielle du Coin café et Boutique d'occasion d'Entre Amis

La cérémonie d'ouverture du "Coin café et Boutique d'occasion d'Entre Amis"

Le programme d'Aide à la vie autonome a mis sur pied une nouvelle façon de fournir aux clients une initiation au travail et des apprentissages, ainsi que des interactions sociales au sein de la communauté.

Le 9 février dernier, à 13 h, s'est déroulée l'ouverture officielle du Coin café et Boutique d'occasion sans but lucratif situé dans l'édifice de Cedar Grove.

Le nouveau magasin, Coin café et Boutique d'occasion d'Entre Amis, qui a été parrainé par le programme d'Aide à la vie autonome et par les Services de santé de Chapleau, est installé dans un local vacant, bien éclairé et confortable de Cedar Grove, qui servait jadis d'entrepôt pour les objets destinés aux ventes-débaras.

« Cet entrepôt », se rappelle Élise Charron, intervenante du programme d'Aide à la vie autonome, « nous donna l'idée pour la Boutique d'occasion d'Entre Amis. L'ajout

du café certifié équitable et la préparation du café à emporter sont venus un peu plus tard. »

Si vous vous êtes déjà demandé d'où venait votre café quand vous fixez votre tasse d'un air endormi le matin ou l'après-midi quand vous fiez sur un bon café pour combattre une baisse d'énergie, vous serez heureux d'apprendre que le café Just Us, disponible à Entre Amis en vaut le coût.

Just Us est un jeu de mot sur le mot justice. C'est le nom utilisé par le premier torréfacteur de café certifié équitable au Canada situé en Nouvelle-Écosse.

Just Us, qui croit dans le fait que « les gens et la planète passent avant le profit », est une coopérative de travailleurs qui importe ses produits, tout en assurant un juste prix aux petits agriculteurs du Guatemala, du Mexique et du Pérou. Ainsi, la qualité de vie de ces fermiers du tiers monde s'améliore. Ils sont aussi traités avec

dignité et peuvent participer aux décisions qui touchent à pourvoir aux besoins de leurs familles.

Le Coin café et Boutique d'occasion d'Entre Amis adopte le même principe pour ses clients qui tiennent le magasin trois après-midi par semaine. Il s'agit d'une situation gagnant-gagnant pour tous les groupes impliqués, ainsi que pour notre communauté qui a maintenant l'occasion d'acheter des produits équitables, tels que du café, des grains de café, du thé, du chocolat, du cacao, et même du chocolat chaud.

Les sites fauniques tropicaux et

l'environnement sont protégés avec soin par les petits agriculteurs, ce qui constitue un avantage additionnel pour nous tous.

Passez prendre une bonne tasse de café ou de thé frais tout en magasinant dans notre Boutique d'occasion qui renferme de vrais trésors ou apportez-nous les objets dont vous n'avez plus besoin. Il se peut qu'ils puissent encore servir.

Même si vous n'avez le temps que pour un café à emporter, vous pourrez apprécier le fait qu'avec une petite tasse de café, vous avez fait une différence dans la vie de plusieurs personnes.

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.
