Louis Hémon: A cultural heritage

Louis Hémon (1880-1913)

Louis Hémon was born October 12th, 1880 in Brest France. He was only two years old when his parents moved to Paris. He will later study at the Sorbonne. Now on his own, he moves to London, England where he will spend eight years of his life and write his first three novels. Those novels will be sent to an editor but sadly won't be received with an immediate success. He will immigrate to Canada on July 12th 1911 and worked for an insurance company in Montréal. Later he will travel to Péribonka where he will work as a labourer on a farm and will write his novel

Maria Chapdelaine. His taste for adventure makes him pursue new horizons; Louis Hémon leaves Péribonka and travels out West. Before leaving, he sends his manuscript to a newspaper in Paris, France. The man will never reach his destination. It is here, a few kilometres out of town that Louis Hémon was struck by a train. This is a big loss for the literary community.

A museum was opened in 1938, situated in Péribonka, Québec. In 1986 Centre culturel de Chapleau was inaugurated as Le Centre culturel Louis-Hémon.

Louis Hémon: un patrimoine culturel

Louis Hémon, né le 12 octobre 1880, est originaire de Brest en France. Il n'avait que deux ans lorsque ses parents partent

pour Paris où il y fera des études à la Sorbonne. Il déménage à Londres pour y vivre pendant huit années et écrit ses trois premiers romans. Les romans sont soumis à un éditeur, mais sans succès immédiat. Il immigré au Canada le 12 juillet 1911 et travaille à Montréal pour une compagnie d'assurance. Quelque temps plus tard, il se rend à Péribonka où il travaillera pour un fermier comme

homme à tout faire. C'est là qu'il écrira son roman Maria Chapdelaine. Le goût de l'aventure lui redonne l'envie de nouveau paysage, Louis Hémon reprend la route. Sa nouvelle destination est l'Ouest canadien. Avant de partir, il acheminera son manuscrit en France à un quotidien parisien. Louis Hémon ne se rendra pas dans l'ouest. C'est à quelques kilomètres de Chapleau dans la

sortie d'une courbe que le train happe le jeune homme de 32 ans. C'est une fin tragique pour un écrivain destiné à de grandes réalisations.

En mémoire de Louis Hémon, un musée sera ouvert en 1938 à Péribonka, Québec. De plus, le Centre culturel francophone de Chapleau prendra un nouveau départ et deviendra le Centre culturel Louis-Hémon en 1986.

DAD

Remembered on Father's Day and every day

I still talk to you
Whenever I'm alone
I hear you in my prayers
Feel you in the wind that blows.

I wonder how you are
What you're doing way up there
Are you laughing or are you
crying
Cause you miss us all down
here.

To shake your hand one last time
It hurts me to know we never got to say goodbye.

You're never really gone
Your memory remains
I miss you more than words
could ever help me to explain.

I'll see you when the sand runs out
When the song is over and the curtain falls down
I'll see you on the other side
You can show me what it's like.

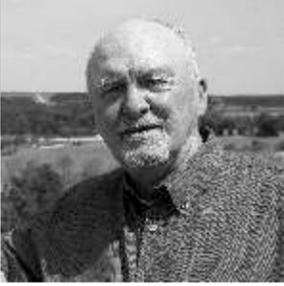

Only god knows when
This road I'm on will end
When I see you again.

Olive M. Card honoured in 1973 as 'Mrs. Minor Hockey' by minor hockey association and for her service to community as municipal councillor and deputy reeve

Chapleau Moments

by
Michael J. Morris

Olive M. Card, who contributed greatly to Chapleau as secretary-treasurer of Chapleau Minor Hockey for 25 years and as a township councillor and deputy reeve, was honoured on two occasions in 1973.

From 1947 until the end of 1972 Mrs. Card, known as "Mrs. Minor Hockey" served as secretary-treasurer of the minor hockey association. Mrs. A.W. Moore after whom the Moore Arena is named was known as "Mrs. Hockey".

Mrs. Card served on the township council for six years.

In her time with minor hockey, over 2500 players were involved at the various

levels.

Jamie Doyle, captain of the Chapleau Junior "B" Huskies of the International Junior "B" Hockey League, a graduate of Chapleau minor hockey presented Mrs. Card with an electric wall clock between period of a Junior "B" game in early 1973.

The clock was made of dark wood mounted beside a hockey figure above which was an engraved plaque reading "1947-1972 -- To Mrs. Olive Card for her 25 years of dedication to Chapleau Minor Hockey".

The minor hockey association felt that her long service should not go unrecognized. Mrs. Card was also a strong supporter

of the Jr. "B" Huskies from the time they arrived on the local scene in 1966.

Reeve Terry Way-White paid tribute to Mrs. Card on her dedication to minor hockey also mentioning that she had served as chair of the Chapleau Recreation Committee for four years.

During her years with minor hockey, Chapleau Bantam teams from 1965 to 1968 were very successful in Northern Ontario Playground Hockey Association tournaments, and many of the players formed the core of the Junior "B" Huskies and later the Chapleau Intermediate "A" Huskies of the Northland Intermediate Hockey League.

The Bantam teams were coached and managed by David Mizuguchi and David

Theme of lifelong learning continues at Chapleau Learning Centre

By Marilyne Gagnon-Doyle

The graduation ceremony at Chapleau Learning Centre was filled with energy and enthusiasm on Wednesday, May 29, 2013, as students, families, and friends gathered to celebrate achievements this academic year. Instructor/Manager, Marilyne Doyle, welcomed everyone to the ceremony. She introduced the Centre's instructors Janet Hazen, Carla Guthrie, and Janice Tremblay. She thanked the past efforts of the Chapleau Learning Centre Advisory Committee, including Joan Longchamps, Lucy Bignucolo, Dale Turcotte, and Jamie Broomhead.

Marilyne

welcomed guests Mayor Andre Byham and Lucy Bignucolo, who represented the ACE Award sponsors, the Rotary Club of Chapleau and the Royal Bank. She acknowledged the affiliation with Northern College in delivering the Academic and Career Entrance (ACE) program in Chapleau over the past eight years. Academic and Career Entrance is grade 12 equivalency. She then introduced Mark Zorzit, Principal of Adult and Continuing Education, and Janet Prpich, Program Coordinator, of Sault Ste. Marie.

Mayor Byham extended Council's sincere congratulations to the instructors and students for

another successful academic year, noting that the Centre has served 47 learners this year. He said, "This is especially amazing since the staff and students of the centre have survived through a roof collapse and a multitude of moving experiences" and congratulated this year's graduates and learners who have overcome hurdles to get to this proud moment.

Principal Mark Zorzit offered his congratulations to both graduates and learners and spoke of current affairs around the world. He commented, "...education isn't one of the ways to meet the challenges of today and tomorrow; it is the only way."

Following the presentation of 38 certificates in Literacy and Basic Skills, GED Preparation, and various computer courses, two awards were presented. Lucy Bignucolo presented the Rotary Club of Chapleau and RBC ACE Award of Excellence to Deanna Mizuguchi, ACE graduate. The Algoma District School Board Personal Best Award was presented to our other ACE graduate,

Juvit Moreau. Clearly evident was the pride felt by the instructors while the presentations were made to the students.

In her closing remarks, Marilyne offered her congratulations on behalf of the Chapleau Learning Centre and the ADSB and thanked the guests and families for attending this special day. She also thanked the Township Council and the Chapleau Advisory Committee

for their support in making it possible for Chapleau Learning Centre to be recognized as an exceptional learning environment in Chapleau.

Following the ceremony, everyone was invited to participate in a delightful luncheon prepared by the learners and instructors. Chapleau Learning Centre will re-open on September 16, 2013! Mark your calendars! Schools out for summer!

Canada Day Booths

Once again the Leisure Committee invites service clubs and Chapleauites with a

creative or entrepreneurial bent to set up booths on Canada Day.

Last year we had a wide range of interests on display: hand-crafted luges; wood carving; general arts and crafts; hairbars; weaving; and, Metis arts and crafts.

I must admit last year's location of booths around the bandstand was not a good plan. This year the booths are located along the public promenade for optimum exposure.

Booth holders must observe a few rules:

- (1) Booths are limited to locals only;
- (2) There is no charge;
- (3) Bring your own table;
- (4) Interested parties must sign up prior to Canada Day;
- ((5) Those encouraged to participate are arts and crafters, artists, photographers, service organizations, local businesses;
- (6) No garage sales.

Success depends on local interest!

If interested, register with Michael Levesque at 705-864-0605 by June 23rd.

NEWS FROM THE PARK BY

Mike Mantha

Provincial Member of Parliament for Algoma-Manitoulin

Last week marked another constituency week in the legislative calendar. These constituency weeks are common and great opportunities for me to spend time in many communities, listening to the issues that matter most to families in Algoma-Manitoulin. Although these weeks are common, this constituency week was far from ordinary. I left Elliot Lake Monday night with the intention of taking an

uneventful drive to Hornepayne so that I would be ready for an early Constituency Clinic on Tuesday morning. Unfortunately, at Batchewana Bay I was met by the OPP on the highway advising of wash-outs and had to take a (minor) five hour detour at towards Thessalon up 129 onto highway 101 returning to highway 117.

I made it to my motel in White River at 4 am, just in time to get a quick two hours sleep then on to Hornepayne the next morning before the constituency clinic started. I was able to hold my constituency clinics as scheduled, but many in the north are not so lucky, and are forced to re-schedule plans due to poor highway maintenance. The

condition of our roads greatly impacts the economy and the quality of life for residents of Algoma-Manitoulin. Unfortunately, further wash-outs of highway 101 prevented me from holding constituency clinics in Chapleau.

Too many businesses have suffered because they have been unable to utilise transportation networks, residents have been unable to get to work, and people needing to travel to medical appointments have been shut-in. We have seen with our snow falls how government snow removal contracts have failed northerners.

We have received complaints about road conditions from many across the

riding, and these poor conditions can be attributed to the Liberal government's further privatization of snow removal and road maintenance services. We are indeed experiencing more road closures and accidents, and this is a product of the failure of this government to properly maintain our roads. This is an issue we will continue to work on, so that Northern Ontario can receive the full road maintenance services it deserves.

I was pleased to participate in further discussions around the Local Food Act this week, while we enjoyed many different local foods in Queen's Park. This week I enjoyed engaging discussions, and

great local food with the Ontario Cattleman's Association, The Ontario Greenhouse Association, and many various Local Ontario Food Producers at the Queens Park Farmer's Market. Local food producers are vital assets to our communities, as they provide healthy, accessible options close to home. I look forward to continuing to promote local food producers, and initiatives that keep our communities healthy.

As always, please feel free to contact my office about this issue, or any other provincial matters. You can reach my constituency office by email at mmantha-co@ndp.on.ca or by phone at 705-461-9710/1-800-831-1899.

Canada Day Sports

Two years ago the Leisure Committee included a ball hockey tournament as a Canada Day activity. Both years the tournament was judged successful with great participation. We thank Richard Beaudoin, the event's prime mover, for his organization and commitment.

Several ideas emerged in this year's public meeting which,

we think, will complement previous successes.

New competitions are offered! For hockey fanatics we have a slapshot contest (radar measured) and a precision shooting competition. These are divided into four age groups. For the hoop-skilled a basketball shooting contest is planned.

All four events are located at the old C.P.S. playground. To

accommodate all four, the ball hockey tournament will begin at 12:00 noon.

Those who wish to participate in the slapshot, precision, and basketball shooting competitions must sign up on site at the registration table between 11:30 and 12:00 on July 1st.

Ball hockey teams must register with Leisure Director Joel Langelier (705-864-0154).

CTF Urges Harper Government to Sponsor Pension Cancellation for Crooked Politicians Bill and Pass it Before Parliament Adjourns

The Canadian Taxpayers Federation (CTF) applauded the introduction today of a Private Members Bill by MP John Williamson, (Conservative – New Brunswick Southwest). The bill, entitled The Protecting Taxpayers and Revoking Pensions of Convicted Politicians Act, would take away the Parliamentary pension from any MP or senator convicted of a serious crime, including stealing from taxpayers.

The CTF also called on the Harper government to make this a government bill, and pass it before

Parliament adjourns for the summer.

“There’s few things Canadians find more insulting than having to foot the bill for a generous pension plan for a politician who has ripped off taxpayers,” said CTF Federal Director Gregory Thomas. “By adopting this bill as government policy and making it law before the House adjourns the Prime Minister would send a message to Parliament and to all Canadians that expense fraud won’t be tolerated and crooked politicians will pay a heavy price.”

The CTF has

long called for a “Lavigne Rule,” named after former Quebec Senator Raymond Lavigne, who resigned with a full pension just prior to being convicted of fraud for stealing from taxpayers.

“The best part of this bill is that it takes effect immediately. If passed, politicians currently under investigation by the RCMP won’t be able to ‘pull a Lavigne’ and resign at the last minute saving their rich pension,” continued Thomas. “But that’s only if this bill is passed.”

The pension

Former Senator Raymond Lavigne

measure is one of five accountability recommendations in the CTF’s Accountability Act 2.0, a proposed package of reforms to clean up Parliament Hill and put an end to expense scandals.

Other tenets of the program include making MPs and

senators subject to the federal Access to Information Act, regular comprehensive audits by the Auditor General of spending by MPs and senators, online reporting of all expenses by MPs and senators, and recall provisions for MPs and senators similar to the

legislation in effect in British Columbia.

“This bill corrects a glaring deficiency in Canadian public accountability law,” said Thomas. “Prime Minister, we ask you to send a message: pass this bill before the House rises for the summer.”

Tribune Libre

Cher M. l'Éditeur,
 Veuillez s.v.p. partager cette invitation des plus sincères avec vos lecteurs qui sont des survivants et survivantes de cancer, de notre région. Vous êtes invités à une rencontre privée, planifiée pour le vendredi, 14 juin au cafétorium du Chapleau High School! Ce souper de célébration permet à tous ceux et celles qui sont en traitement, ainsi qu'un membre de la famille, de bénéficier de l'appui et de l'encouragement de d'autres survivants et aidants, pendant un souper plaisant et parfois amusant. Ensemble, les survivants célèbrent leur lutte contre le cancer ainsi que leurs petites et grandes victoires personnelles. Le souper débute à 17h30 et finira en

temps pour ceux et celles qui choisissent de faire le Tour de Victoire, le premier évènement du Relais pour la vie! Chaque survivant peut-être accompagné au souper, d'un aidant – une personne qui vous a grandement aidé pendant votre lutte contre le cancer. Cet évènement est commandité par la Société canadienne du cancer.

Pour être des nôtres au souper, s.v.p. rendez-vous au bureau de Canada Brokerlink, 16 rue Birch, à Chapleau, pour vous inscrire. Les permis de stationnement ne peuvent être remis qu'à ceux et celles qui s'inscrivent avant le mercredi, 12 juin.

Le Tour de Victoire aura lieu à la piste et pelouse du Chapleau High School, vers 18h45, tout de

suite après les cérémonies d'ouverture du Relais 2013. Pour les survivants et survivantes qui choisissent de participer seulement à ce Tour de Victoire, veuillez s.v.p. vous inscrire chez Brokerlink aussi, avant mercredi de cette semaine.

Chers lecteurs, on vous demande de bien nous aider à rejoindre tous les survivants de cancer de notre région, qu'ils soient nouvellement diagnostiqués ou survivants depuis un nombre d'années! Encouragez-les à s'inscrire et à faire partie de notre groupe de survivants et d'aidants.

Vous avez des questions? Appelez Joanne au 864-0724. Au plaisir de vous y voir le 14 juin!
