Drama Club make donations

On Monday, April 18, 2011, Mrs. G. Dell made a presentation to Pastor Dan Lee in the form of a \$400.00 donation to the Food Bank. Pictured above is Mrs. Dell making the presentation with members of the Drama Club, Mr. Gouge and members of the Hospitality class. Both groups are instrumental in the Dinner Theatre's success allowing them to make donations.

The Drama Club also donated \$400.00 to the Japanese Tsunami Fund earlier in the year. Thank you to all Chapleau High Schools students and staff who make donations to those in need at various times throughout the year.

Chapleau in Top 20 and we need your votes

The final round of voting began Tuesday, May 10th at 12:01pm and runs to May 31st at 6:00 p.m.

Voting began Tuesday and we need your continued support. I would ask all Chapleauites to double their efforts in voting and recruiting votes/voters from family and friends.

In the coming weeks, there will be more work to do. Anyone interested in volunteering some time, please contact me at 705-864-1330, or by email: cpourde@township.chapleau.on.ca. Together, we can win, Chapleau!

Vote often. Each person can vote up to 4 times per day – once during each voting block – for each legitimate email address they have.

Voting Block One 12:01am
Voting Block Two 6:01am
Voting Block Three 12:01pm
Voting Block Four 6:01pm

Remember these Tips

- If it's your first time voting, you must confirm your email address before your vote is counted.
- If the confirmation email does not reach you immediately, try voting again to have the confirmation email re-sent to you.
- Don't forget to check your junk folders just in case.

Chapleau Children's Service Providers Open House

On Friday May 6th many of Chapleau Children Service Providers gathered to offer the community of Chapleau a Free Open House. This was an opportunity for families to become

more familiar with the services offered for children. It was also an opportunity for service providers to partner and network. There was free food, beverages, draws, children's activities and a door prize draw for an i-pod touch.

The Open House was very successful with 125 people attending. Thank you to all the service providers who attended, your services are very valuable and thank you to all the families for supporting this event.

The winner of the i-pod touch was Nicolas Morin.

Diabetes – What You Need To Know

Diabetic Peripheral Neuropathy (dpn)

What is it?

DPN is a long-term complication of

diabetes where long-term exposure to high blood glucose levels causes damage to the peripheral nerves – the nerves that go to the arms, hands, legs, and feet.

Symptoms

Although DPN can occur in many places in the body, the

most common symptoms of DPN are abnormal sensations in the toes and feet, including:

- sharp, shooting pains
- burning
- tingling
- a feeling of being pricked with pins
- throbbing
- numbness (not able to properly feel pain, heat, or cold)

DPN increases the risk for foot ulcers and amputation. Due to the nerve damage in their feet and toes, people with diabetes who have DPN often do

not notice minor cuts, sores, or blisters in these areas. If left untreated, these small wounds can easily become infected, lead to gangrene, and may eventually require amputation of the affected area.

What are the risk factors?

- Exposure to higher blood glucose levels
- Elevated triglycerides
- High body mass index
- Smoking
- High blood pressure

Screening for DPN: When should it happen?

In people with

diabetes, screening for DPN should begin right away, at diagnosis of diabetes, and occur every year after that.

Diagnosing DPN in the feet

Your diabetes educator can test for DPN by lightly pressing a thin nylon rod (10-gram Monofilament) to different areas of your foot (in particular, your big toe) or by using the 128-Hz tuning fork on the back of the big toe to determine if you can feel it. These are easy and pain-free tests.

If you have diabetes and would like to be screened for DPN, please call The Family Health Team at 705 864 0210 and ask to be placed on our list for

foot screens. If you have other foot care issues please contact Krista or Robin at the same number.

NOTICE

from
Dr. James Shearer
Medical/Dental Clinic

Dear Valued Patients

I would like to take this opportunity to advise you that I have decided to retire on May 27, 2011. I have enjoyed my fifteen years of working in Chapleau and wish to thank all of you, patients and staff, for your support.

For the past 18 months I have endeavoured to recruit a new dentist for the community and expect to have some good news in the near future.

A big THANK YOU to all of you.

Best Regards.

Dr. James Shearer

Chapleau Railroad YMCA played important role in community life and 'home away from home' for railroaders for 63 years until demolished in 1971

Chapleau Moments

by Michael J. Morris

The Chapleau Railroad YMCA was one of the most distinctive landmarks in Chapleau from its opening in 1908 until it was demolished in 1971, Ian Macdonald writes in 'Mile 615.1: Building a Northern Community'.

Ian, who spent many of his growing up years in Chapleau, worked on the Canadian Pacific Railway for a time, attended university, became an architect, and in 2005

The early water tower at Chapleau. A landmark along with YMCA.

retired as head of the school of architecture at the University of Manitoba.

Writing in a monograph which is an important part of Bill McLeod's newest book, 'Chapleau: Retrospective on Life in an Isolated Northern Community', Ian explains that the Chapleau Y was one of

nine railroad YMCA's built by the CPR in Canada and one in Maine. The others were in Revelstoke, Field, Cranbrook (where I now live), Kenora, Ignace, Schreiber, White River, Cartier and Brownville Junction, Maine.

The usual arrangement was that the CPR paid for the construction of the buildings and then turned ownership and operation over to the Young Men's Christian Association.

The company also gave a cash donation of \$100 a month and provided steam heat in the winter and ice in the summer. The CPR provided heat for all its operations and other Chapleau buildings from a central plant.

Ian notes that the YMCA became part of the "social fabric" of the communities served, confirmed by Ron Brown in his book 'The Train Doesn't Stop Here Anymore' who observed that they became a sight and activity centre as much a part of the community as the gardens, sitting rooms in the stations or new water tanks.

At the Chapleau YMCA, moving picture shows,

according to Ian, were routinely patronized by everyone in town.

"The subject matter, of course, was always of the most wholesome variety, some of it even supplied by the CPR's own film interests."

There were also two bowling alleys in the basement which were used by Chapleau citizens. Whenever anyone recalls the bowling alleys, it is to share their experience as a pin boy (or girl), and to mention that Mrs. Mabel Young, Dr. G.E. Young's mother, was still bowling there in her nineties.

Quoting from a CPR publication Ian writes that the facilities were given to the YMCA to operate "because of its unselfish purpose to be of service to railway men without financial gain".

However, before the CPR and YMCA got together to build the railway YMCA's, the railway was concerned about how its employees were spending their time out on the road, away from home, which is a story of it own.

One writer in 'Not Just a Game: Essays in Sports Sociology' commented that soon after the first one was established in Revelstoke, British Columbia, "the YMCA made lambs out of the wild men (of Revelstoke)..." Given the Revelstoke success, the YMCA's were quickly expanded to other divisional points.

The Chapleau Railroad YMCA.

Quoting from the CPR Bulletin of August 1922, Ian comments on the social role of the YMCA's. The bulletin said in part: "the buildings are open day and night and provide a 'homelike place' at the other end of the run.

"The engineers and trainmen, after driving through the snow and cold, find an open fire, a good meal and cheerful companionship awaiting them at the end of a journey..."

Ian notes that the YMCA had characteristics of home including a carefully manicured front lawn and fence, rambling front porch and other features of homes at those times.

However, it was not only CPR employees who stayed at the YMCA. George Tremblay, another Chapleauite, in his wonderful book about the movies 'Break at Nine' tells about the arrival of Ruth and Cecil Smith in 1940 to take over the Regent Theatre.

In November

1940 they arrived in Chapleau on the CPR Train, the Dominion, Number 3, and looked for a taxi.

Len 'the taxi man' Perfetto, was there and away they went as the taxi "dashed up and around the steep horseshoe bridge that spanned the railway yards, then through the downtown" and finally arrived at the YMCA on Lorne Street south.

George noted that it may "sound strange" to learn that they would stay at the YMCA "but in 1940 it was the accepted thing to do" as there were no motels at the time and the two hotels were now rooming houses and apartment buildings.

George Theriault, in his book 'Trespassing in God's Country' writes that when he arrived in 1954, "I bunked down at the YMCA, bought an old boathouse on the Chapleau river and hired two carpenters to winterize it." It was the beginning of Theriault Air Services.

Ian notes that "Time and events

gradually overtook the established social role of the YMCA in the years following World War II, and it was condemned and demolished in 1971, adding that one can "scarcely miss the irony when the Chapleau Railway Y was demolished to make way for the new Liquor Control Board of Ontario retail outlet."

I have only touched upon the contents of Ian's monograph 'Mile 615.1: Building a Northern Community' and have not even referred to the rest of Bill's book, "Chapleau: Retrospective on Life in an Isolated Northern Community, which is now available at <http://www.trainwatchingcanada.com/a.html>. Thanks to Ian for permitting me to quote freely from his work, and to Bill, who has been a friend since we were kids growing up in Chapleau.

Cedar Street bridge once again used as dumpsite

This photo was taken in April from the Cedar Street bridge. Wood stove ashes were dumped off the bridge and are seen laying on the ice. (Photos courtesy of Marc Hamel)

It appears that from the past articles and photos depicting dog manure being deposited beside the river at the

Cedar Street Bridge has not enlightened the culprits.

The photo on the right was taken May 14, 2011. It shows wood stove ashes, mixed with nails, tin cans and other assortment of noncombustible's. This was dumped approximately 20 yards from the bridge on the river bank which runs parallel to Grey Street.

This is comparable to the dog manure that was bagged, then deposited in the cemetery as seen two years ago.

Chapleau aux finales de la 'Ville de pêche par excellence'

par Charley Plourde

Félicitations, concitoyens de Chapleau! La 1ère ronde du concours 'Ville de pêche par excellence au Canada' organisé par le réseau WFN est terminée et nous avons atteint les finales!

Au cours des 3 dernières semaines, vous les Chaplois avez enregistré presque 30,000 voix, ce qui nous a valu la deuxième place au classement national. En effet, au terme de la première ronde du scrutin, il n'y avait que Port Colborne qui nous dépassait. C'est ahurissant de voir ce que peut réaliser une petite collectivité de 2,300 habitants!

Je suis sidérée par la fièvre générée par cette compétition. Partout où ce que je vais, on m'approche avec des commentaires ou des questions au sujet du

concours. C'est super!

Que j'apprécie tout l'effort et le temps que les gens d'ici ont mis à cette cause, de même que ceux de l'extérieur parmi nos parents et amis! Nous avons aussi reçu de l'appui de l'extérieur de la province et du Canada.

La dernière ronde de vote est démarrée et se poursuivra jusqu'au 31 mai à 18h.

Il nous faut donc recommencer le processus de vote et votre appui soutenu est d'autant plus crucial. Je demande donc à tous mes concitoyens de Chapleau, de redoubler vos efforts pour inscrire votre vote et même faire du recrutement parmi vos parents et amis. Our Lady of Fatima happenings

Our Lady of Fatima School (Huron Superior Catholic District School Board) celebrated Catholic Education Week on May 2-6. What a success! Staff members, students and parents had different educational, fun activities planned to highlight the importance of staying in school and getting an education, inspired with faith-based values.

A heartfelt thank you to all staff and community members that

volunteered their time and skills to share their information with the students: Staff from the IT dept made possible a videoconference with schools in Wawa and Hornepayne to talk about justice and how other unfortunate children live in other parts of the world.

Fr. Sebastien Groleau, Mrs. D. Cachagee, and Mrs. K. Frederikson came as our Celebrity Readers. Mrs. Lisi Bernier, Mrs. Barb Levesque, Lise Martel, and Mr. Joel Langelier and his

MNR-Forest Fire Crew came on Career Day.

Mr. Michael Levesque, Mrs. P. Ouelette, and Mrs. A.

Fortin helped judging the interesting projects from the Science Fair. Our traditional BBQ lunch was a success, including our next door neighbours from Sacre Coeur. Many thanks to Mr. Legge, Mr. LaFleur, Mrs. Ribout, and Mrs. Germain-Espirat for their help.

Mr. J. J. Valle, Mr. J. Bruneau, and

Mr. R. Martel tasted a delish soup made by two teams of students and teachers, and had the difficult task to decide which one was better. On Friday, the week ended up with a fun note of two plays presented to staff and parents by Fatima students in English (Mrs. Knight), and another in French with their teacher, Mlle. Morin.

Chapleau General Hospital Foundation teams up with E-Bay

With more than 94 million active users globally, eBay is the world's largest online marketplace, where practically anyone can buy and sell mostly anything. Founded in 1995, eBay connects a diverse and passionate community of individual buyers and sellers, as well as charitable organizations. Chapleau General Hospital Foundation has teamed up with eBay to auction off a few specialty items. These items include a Bauer Supreme ONE95 Grip

Hockey Stick signed by Detroit Red Wings forward Valtteri Filppula 51 and a Detroit Red Wings official away jersey signed by Assistant captain Pavel Datsyuk 13.

Playoffs are in full swing and even though the majority of Chapleau residents were cheering for Montréal Canadiens, it will be exciting to see who will be the 2011 Stanley Cup Champions. Will Detroit redeem themselves for a 12th

championship? With the championship being a few months away, anything can happen!

We encourage Chapleau to explore eBay and watch as these items sell. All the proceeds will go directly towards the Foundation to support the "Together We Will Grow!" campaign. The goal of the campaign is to generate \$263,000 by 2012 to acquire medical equipment for Services de Santé de Chapleau Health Services. The equipment list includes items such as an ECG

Unit, a LTV Ventilator, a Patient Lift Track system, MTS Gel and Quality Control System, a Nurse Phone System and an Ultrasound Machine. With presence in 39 markets, eBay has grown to be a trusted efficient market. With more than 90 million users worldwide, Chapleau General Hospital Foundation anticipates a successful auction. The auction went live on May 10th at 10:00 a.m. and it will end on May 20th at 10:00 a.m. To locate the auction please visit eBay.

Help make a difference by bidding on one or more of our auctions! Your support is greatly appreciated!

Les Services de santé de Chapleau
Programme de bourses pour les étudiants dans le domaine de la santé

Les conseils d'administration des Services de santé de Chapleau Health Services (SSCHS) et la fondation de l'Hôpital Général de Chapleau (FHGC) désirent encourager les étudiants de Chapleau à faire demande à notre programme de bourses d'études qui offre de l'aide financière aux citoyens de Chapleau inscrits à certains programmes de santé. Nous avons le plaisir de présenter des bourses d'études à onze étudiants de la communauté pour la période académique 2010/2011. Alicia Doyon, Kelsey Scheer, Sara Doyle, Brenda Lindquist et Jeanie Weber étaient récipiendaires de la bourse d'étude pour le programme d'infirmière autorisé et Mélissa Dionne, Meredith Cecile, Leanna Frappier, Kellie McCarthy, Marc Fortin et Karen Fortin étaient récipiendaires de la bourse d'étude pour le programme d'infirmier auxiliaire autorisé.

Objet du programme

Ces bourses ont pour but : 1) d'augmenter le nombre d'étudiants/résidents de Chapleau inscrits à un programme dans une de ces disciplines, 2) d'aider les personnes qui suivent déjà des programmes de personnel infirmier auxiliaire autorisé, de personnel infirmier autorisé, d'ergothérapeutes et de physiothérapeutes, 3) d'encourager les étudiants/résidents à revenir à Chapleau pour exercer leur profession. Des études ont montré que les personnes provenant de villes rurales et éloignées sont les plus susceptibles de revenir exercer dans ces régions. Par conséquent, en aidant nos citoyens, nous contribuerons à faire en sorte qu'il ait toujours suffisamment de personnel infirmier auxiliaire autorisé, de personnel infirmier autorisé, d'ergothérapeutes et de physiothérapeutes pour offrir des soins de première qualité dans la communauté de Chapleau.

Les candidats doivent répondre aux critères suivants :

- Résider à Chapleau pendant au moins deux ans (les étudiants qui suivent un programme postsecondaire ailleurs sont quand même considérés comme des résidents de Chapleau).
- Être accepté dans un des programmes indiqués ci-dessus.
- S'engager à vivre et à travailler à Chapleau après l'obtention du grade.
- Se porté volontaire dans le passé pour Services de santé de Chapleau serait un atout.

Les demandes accompagnées de la documentation complète doivent être présentées d'ici le 9 juin, 2011. Aucune demande ne sera acceptée après cette date.

Tous les documents doivent être transmis à la Fondation de l'Hôpital Général de Chapleau, a/s Comité des bourses, C. P. 757, chemin Broomhead, Chapleau (Ontario) P0M 1K0.

Les renseignements détaillés et les formulaires de demande se trouvent sur le site Web des SSCHS à www.sschs.ca. On peut aussi les obtenir en appelant Julia Bignucolo au 705-864-3061.

Chapleau Health Services Scholarship Program for Health Students

The Boards of Services de santé de Chapleau Health Services (SSCHS) and Chapleau General Hospital Foundation (CGF) would like to encourage qualified students to apply to our scholarship program aimed at providing financial assistance to Chapleau citizens enrolled in certain health programs. For the 2010/2011 academic term, we were pleased to present eleven students in our community with scholarships. Alicia Doyon, Kelsey Scheer, Sara Doyle, Brenda Lindquist and Jeanie Weber were recipients for the Registered Nurse Scholarship and Mélissa Dionne, Meredith Cecile, Leanna Frappier, Kellie McCarthy, Marc Fortin and Karen Fortin were the recipients for the Registered Practical Nurse Scholarship.

The Purpose of the Program:

This scholarship is intended to: (1) increase the number of Chapleau students/residents enrolled in a one of the identified programs, (2) support those already attending registered practical nurse, registered nurse, occupational therapy and physiotherapy educational programs (3) and encourage students/residents to return to Chapleau to practice their profession. Studies have shown that people from rural and remote towns are most likely to return to practice in those areas. On the basis of these studies, supporting our own citizens will help to ensure that there will always be enough Registered Practical Nurses, Registered Nurses, Occupational Therapists and Physiotherapists to provide a high quality of health care in the community of Chapleau.

Applicants must meet the following criteria:

- Be a resident of Chapleau for a minimum of 2 years (Students already attending a post-secondary program are still considered Chapleau residents)
- Be accepted in one of the identified programs
- Be committed to live and work in Chapleau after graduating from the program
- Volunteered in the past for Chapleau Health Services would be an asset

Applications with complete documentation must be submitted by June 9th. No application submissions will be accepted after this date.

All documentation should be submitted to the Chapleau General Hospital Foundation C/O Scholarship Committee, Box 747, Broomhead Rd., Chapleau, ON, P0M 1K0.

Full details and application forms can be downloaded from the SSCHS website at www.sschs.ca or by contacting Julia Bignucolo at 705-864-3061.

LVP Named "Company Of The Year"

(L.to R.) Daryl Heinsohn (Partner), Guy Venne (Partner), Abbas Homayed (Award Presenter), Angele Charbonneau (Partner), Mark Laberge (Partner)

Sudbury-based accounting firm Laberge Venne and Partners (LVP) has been named "Company of the Year" by the Greater Sudbury Chamber of Commerce. Partner Mark Laberge accepted the award on behalf of LVP at last night's Business Excellence Awards, held at the Caruso Club.

LVP has been in business since 2003 with its headquarters in Greater Sudbury, an office on Manitoulin Island, and clients across Northern Ontario. It works closely with small and large privately-owned companies,

First Nations, not-for-profit organizations, municipalities, and school boards. Its services include financial statement and tax return preparation, forensic accounting and litigation support.

"Our team is so proud of this recognition," says Laberge, "As you can imagine, accounting isn't known for being very sexy or glamorous - but we see ourselves as an organization that's helped thousands of clients flourish and grow" over the years."

Laberge believes one of the qualities that helped LVP win this recogni-

tion is the work it does outside client board-rooms.

"Like many successful businesses in the North, we believe a company is more than a spreadsheet and payroll," Laberge adds, "It's how a company gives back to the community that gives it heart. And, we're proud of the fact that LVP sponsors local charitable events and our partners and staff members sit on a variety of charitable and non-profit boards. And, we now

see our clients doing it as well."

In addition to Mark Laberge (H.BComm, CFE, CA), LVP's partners are Guy Venne (HBA, FCA), Daryl Heinsohn (H.BComm, CFP, CA), and Angele Charbonneau (H.BComm, CA). They have a staff of 20 people.

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Horne-payne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis line at 1-800-461-2242 or you can drop in at the Centre. We are here for you.
