New Entrepreneurial Spirit Taking Shape in Chapleau

While the local economy felt a blow with the closure of the second shift at Domtar, a number of local entrepreneurs have invested in businesses locally in the last weeks. Chapleau area residents and companies will greatly benefit from these new investments, as improved services become available locally, rather than having to travel to larger centre for them.

Mallory's Total Car Care

Lisa Gauthier and Chad MacLeod are taking a break from their new job cleaning vehicles to pose for the Chapleau Express. The new specialized service is offered at 13 Birch, next to Gus's II Family Restaurant.

The car care service is the brainchild of Glen Caper and Suzanne Gauthier, who decided to name the business after their 8 year-old daughter,

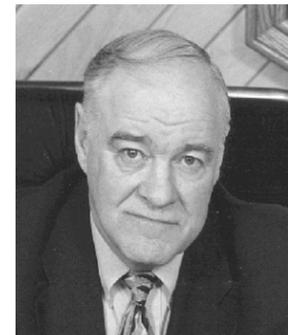

Mallory.

The business offers auto washing and drying, high speed polishing or buffing, paint restoration, interior cleaning, scotch guard protection, and RV & boat refinishing. Chapleau residents are sure to appreciate this new service, as they enjoy riding in their clean and sparkling vehicles this summer.

Chapleau Takes Part in Discussions by Northern Ontario Municipalities

Representatives from the Township of Chapleau attended a FONOM conference this past week in Mindemoya, Manitoulin Island. FONOM, the Federation of Northern Ontario Municipalities, is held every year in May, where members of

the conference include gas rates for Northern Ontario, brainstorm on possible health breaks, solutions for dealing with insurance rates, opportunities in the forestry and mining sectors, municipal financial management, to name a few.

Northern Ontario municipalities meet with Ministers from a number of Ontario ministries to discuss a variety of topics of interest.

Mayor Earle Freeborn and Deputy-Mayor Keith (Buddy) Swanson attended the event, held this year from May 5 to 7. According to Mayor Freeborn: "This is an excellent opportunity for Municipal leaders to meet and discuss common issues in the North, and learn of best practices that were implemented in other communities".

Some topics that were entertained during

The community representatives also participated in a Ministers' Public Forum, where they had the opportunity to present their concerns and issues in a plenary session. Unlike other similar conferences, there were no one-on-one meetings with Ministers.

The participants were able to enter into debates with Honorable David Ramsay (Ministry of Natural Resources), Honorable Rick Bartolucci (Ministry of Northern Development and Mines), Honorable John Gerretsen (Ministry of Municipal Affairs), and Honorable Steve Peters (Ministry of Agriculture and Food).

"Generally, these types of conferences help our provincial politicians become better aware of our regional issues, and assist them in finding possible solutions for current problems and challenges", concludes Mayor Freeborn.

Caper & Son Plumbing and Heating

Another service that will certainly make life easier for local property owners in Chapleau is that of Caper & Son Plumbing and Heating. Danny Richardson and Glen Caper, both master plumbers, are ready for all service calls for residences and businesses alike.

Chapleau is sure to receive the best available 24-hour quality service, as the business is registered with the Technical Standards Safety Authority (CSA). Located at 13 Birch Street, across from

Hongr's Restaurant, Caper & Son Plumbing and Heating has all the tools, equipment and skills available to provide professional results.

The owner and wife, Glen and Suzanne, had been in business for 14 years. The couple decided to relocate to Suzanne's hometown of Chapleau in 2003, and found an opportunity they could not pass-up. Caper & Son (the couple's 8 month-old son) was introduced to the community, and was received with open arms by all.

Superior Machine & Hydraulics Inc.

Cindy and Robin Frazer stand proudly beside one of their newly purchased equipment as they celebrate the official opening of their new business: Superior Machine & Hydraulics Inc.

The couple took over the former Hydraulics Plus, a Timmins-owned operation that was

schedule to close its doors in Chapleau on March 31 of this year. They purchased all of Hydraulics Plus' machinery, and upgraded the welding equipment.

The new business will offer all the services provided by Hydraulics Plus, along with other more specialized or custom work. According to

Robin Frazer, Superior Machine & Hydraulics has available the full line of Parker Hoses and fittings, and is fully equipped to service all the local needs in welding, machining, hydraulics and cylinder repairs.

Superior Machine & Hydraulics is located at 5 Parliament Boulevard (the old Houde's bakery), next

to the Railroad Inn. Cindy and Robin look forward to continue servicing the needs of the local mills, truckers, and CP Rail. They also wish to offer their services to local businesses and individuals who may need any kind of welding assistance, big or small.

Lynda Joly who passed away May 8, 2002...**

Though your beautiful smile is now for God,
And your hand we cannot touch,
We will never lose the memory of you, Mom,
As we loved you, oh, so much.

Mom, you shared our hopes,
Our dreams, our tears,
Your love you always gave us.
May God bless you
For all those wonderful years.

We miss you so much... Thank you for all the
Angelic things you have done over the past 2
years.. We know you are never far away!

LETTERS TO THE EDITOR

Now that we are all
looking forward to
warmer weather and
longer days, most of us
are no longer thinking of
Ice Fishing but of nice
lazy days, sitting in a

and enjoying the fishing!
But back to Ice
Fishing!!!

As a participant of
the Annual Ice Fishing

**PLANNING ACT, R.S.O. 1990
NOTICE OF THE PASSING OF A
ZONING BY-LAW BY THE
TOWNSHIP OF CHAPLEAU**

TAKE NOTICE that the Council of the Township of
Chapleau passed By-law 2004-17 on the 14th day
of April 2004, under Section 34 of Planning Act,
R.S.O. 1990.

AND TAKE NOTICE that any person or agency
may appeal to the Ontario Municipal Board in
respect of the by-law by filing with the CAO of the
Township of Chapleau not later than the 1st day of
June 2004, a notice of appeal setting out the
objection to the by-law and the reasons in support
of the objection.

Only individuals, corporations and public bodies
may appeal a zoning by-law to the Ontario
Municipal Board. A notice of appeal may not be
filed by an unincorporated association or group.
However, a notice of appeal may be filed in the
name of an individual who is a member of the
association or the group.

PURPOSE AND EFFECT OF BY-LAW 2004-17
By-law 2004-17 is a by-law to amend By-law 89-
19 the Comprehensive Zoning By-law for the
Township of Chapleau. The purpose and effect of
By-law 2004-17 is to rezone the lands described
below from Institutional (I) to Residential Two (R-
2). This change will permit the entire building
located at 26 Pine Street West to be utilized as a
dwelling unit

**PROPERTY LOCATION AND DESCRIPTION TO
WHICH BY-LAW APPLIES:**

Part Lot 35, Block G, 26 Pine Street W., (Former
Pentacostal Church)

Normally a key map is provided to show the
location of lands to which the by-law being
circulated applies. In this instance it is not possible
to provide a key map at a readable scale for
newspaper purposes.

The complete by-law is available for inspection in
the CAO's office during regular office hours.

If further information or clarification is required on
this matter, please feel free to contact the
undersigned.

If no objections are received to By-law 2004-17
within the period of time prescribed by Form 1, By-
law 2004-17 will come into effect.

Dated at the Township of Chapleau this 9th day of
May 2004.

A Successful Third Year for the Chapleau Learning Centre

The Chapleau Learning Centre, situated in the annex to the Public School, 24 Pine Street, has just completed its third successful year of operation. This past year, the Centre has operated in partnership with the Algoma District School Board and is funded by the Ministry of Training, Colleges and Universities (MTCU). Instructor/Manager, Janet Hazen, reports that Chapleau Learning Centre has served over 30 learners

this past year from September to the present. The Centre offers basic literacy and numeracy training, as well as computer skills and employment readiness training. Through a Human Resources Skills Development Canada (HRSDC) Job Creation Partnership program, in collaboration with Literacy Network Northeast and Chapleau Learning Centre, Marilyne Gagnon Doyle successfully

participated in a Workforce Skills Training Research project. She identified the employment needs of adult learners and the labour market needs of the region, focusing on the Chapleau area. Through contact with local employers, Marilyne developed job profiles and relevant learning activities to enhance the delivery of workforce specific literacy training for adults. MTCU Consultant, Mary Zoccole, during her recent site visit, expressed her appreciation for the user-friendly resources developed at the local Centre. These authentic materials will enhance the learning experiences for the students and their increased prospects for employment.

Community support has been ongoing since the Centre opened in January, 2001. Local service clubs, in particular Rotary and Oddfellows, as well as the Municipality and many businesses and individuals, have contributed significant time and resources to assure success for the learners. Chapleau Learning Centre Instructor-Manager, Janet Hazen, and Advisory Committee Chair, Joan Longchamps, express their sincere appreciation to all those involved in promoting life-long learning opportunities in our community.

NAFTA Panel delivers significant victory to Canada on softwood lumber

The Canadian softwood lumber industry said today's NAFTA Panel decision is the most significant victory for Canada to date in the three years since the US industry filed its cases in April 2001. This Panel decision promises to bring these cases to a long overdue end. The NAFTA

Panel has once again rejected all of the reasons that the U.S. International Trade Commission (ITC) gave in reaching its finding that imports from Canada threatened the US lumber industry. Given the Panel's powerful and unanimous rejection of the ITC's key findings, it

will be difficult for the ITC to do anything but finally accept that the only conclusion it can reach is that Canada's softwood lumber exports pose no trade threat to the U.S. industry. This will bring the case to a close with the complete revocation of the antidumping and countervailing

duty orders. The Panel has given the ITC 21 days to issue a new decision consistent with the Panel's rulings. The Canadian Lumber Trade Alliance worked together to present a joint submission to the NAFTA Panel.

Big Bucks Invested for Festival Concerts

The Chapleau Nature Festival will again this year be among Northern Ontario's most elaborate and most expensive in terms of concert related logistics and costs. Chapleau's annual Festival is becoming a

these shows, along with the technical requirements and manpower are quite impressive!"

The technical and lighting alone require a crew of 10 people, at a three-day cost of \$18,200. According to

group, from Ireland!). Michelle Wright and her musicians will arrive from Houston by jet at the Chapleau Airport. A caravan of Lincolns will escort the parties to the arena. The artist fees and competition costs for

three consecutive years. The secret is in the community local involvement, and local sponsorship dollars. The Chapleau Nature Festival relies on over

80 volunteers, and was able to raise \$60,000 thanks to the generosity of local sponsors. The Festivals leading partners, the Township of Chapleau and the

Centre Culturel Louis-Hémon, ensure that all goes well throughout the planning and coordination stages, as well as throughout the Festival week.

Le Festival insuffle de grosses sommes pour ses spectacles

Le Festival de la nature de Chapleau s'annonce encore une fois comme une des manifestations les plus élaborées et les plus dispendieuses du nord ontarien en matière de logistique et de coûts. Notre festival se fait de plus en plus connaître à travers le nord de l'Ontario en raison de sa qualité et de ses spectacles fort attirants.

L'édition 2004 nous propose de grands spectacles qui sauront plaire à tous les goûts, en passant par Michelle Wright pour les amateurs du country contemporain jusqu'aux amateurs de fêtes avec les Irish Rovers, les sons hip-hop et rap de Swing, sans

oublier les musiques plus traditionnelles des concours de danse à claquette et de violonneux.

"Le prix est très élevé pour une brochette d'artistes de ce calibre, mais cela en vaut la peine", affirme Don McEachren, le président du Comité directeur du Festival. "Monter ces spectacles, en plus des exigences techniques et de main d'œuvre, c'est toute une entreprise!" ajoute-t-il.

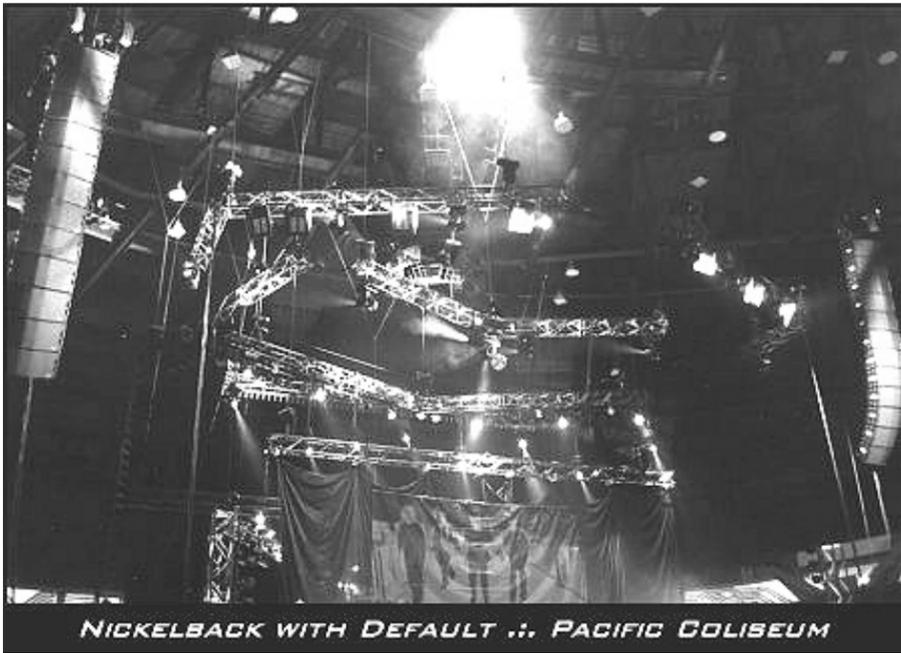

La régie technique et l'éclairage à elles seules exigent un effectif de 10 travailleurs oeuvrant sur trois jours, dont le frais total s'élève à 18,200\$. Selon FM Systems, la firme torontoise embauchée à cet effet, l'équipement qui sera utilisé pour les spectacles du festival est évalué à plus d'un demi-million.

FM Systems a des succursales à Vancouver, Edmonton, Calgary et Toronto et est reconnu comme l'un des principaux fournisseurs de l'industrie du spectacle au Canada. Au nombre de sa clientèle, mentionnons les groupes Nickelback et Blue Rodeo, de même que les soirées gala des Prix Juno et des prix de la Ligue Canadienne de Football.

La présence des artistes de la scène ne

vient pas sans prix. La première escale des Irish Rovers lorsqu'ils atterriront au Canada sera ici à Chapleau (imaginez les frais de déplacement en provenance d'Irlande!). Michelle Wright et ses musiciens arriveront ici en jet depuis Houston et atterriront à l'aéroport de Chapleau. On mettra une flottille de voitures de luxe à leur disposition pour les conduire à l'arena. Les cachets d'artistes et les prix des concours pour cette édition du festival s'élèveront à 93,000.00\$.

Comment, direz-vous, Chapleau a-t-il pu mener à bien une manifestation de cette envergure pendant trois ans de file? La clé de son succès repose sur sa population la participation et le soutien d'ici. Le Festival de la nature a recours à au moins 80 bénévoles et a supprélever 60,000.00\$ grâce à la générosité des bailleurs de fonds de la région. Les co-partenaires principaux de l'événement, la Municipalité de Chapleau et le Centre Culturel Louis-Hémon, sont là pour en assurer la bonne marche à toutes ses étapes: de la planification à la coordination, enfin jusqu'au déroulement de la semaine du Festival.

This summer's edition will host big-name concerts that will attract a broad spectrum of interest and tastes, from the new country enthusiasts with Michelle Wright, to the good-time party sounds of the Irish Rovers, from the hip-hop and rap of Swing, to the more traditional folk music of the fiddling and step dancing competitions.

"Such high caliber performers come at a cost, although well worth it", explains the Chair of the Festival Steering Committee, Don McEachren. "The expense of putting on

Chapleau Ski Club Holds Year-End Banquet

The Chapleau Ski Club held its annual banquet on Friday April 23rd, 2004. The evening started out at 5:30 with a friendship hour followed by a succulent banquet. The food was provided in abundance by the members, as this was a pot-luck. What a great meal!

The past president and board member for numerous years, Mr.

Daniel Lemieux, was remembered on this night. A special box (made by his long time friend Rick Dell) which holds Mr. Lemieux's gavel was revealed and will be displayed in the chalet for years to come.

Club president, Doris Boucher, then shared with the members in attendance the ups and downs of the past season. It was a great season thanks to the services of past Chapleauite Jim Stevens, who serviced the lift on a few occasions. Without the services of Jim Stevens the hill would have been shut down completely.

On the financial end of things, the club ended the season with expenses being greater than revenues, and so the club will have to work diligently next year to

come up with extra funds to cover any and all shortfalls.

Mrs. Boucher also introduced the executive, and thanked them and the staff for their dedication to the club throughout this year.

The Vice-President Mrs. Natalie Tessier addressed the crowd and officiated the election of officers for the 2004-2005 season. The following people were elected by acclamation: Doris Boucher (President), Natalie Tessier (Vice-President), Chantal Desbois (Treasurer).

Following the election of officers medals were handed out to the winners of the races held on February 21st, 2004. Congratulations to all the winners.

How to make a car insurance claim

You must report a car accident to your insurance agent, broker or company within seven days if someone is killed or injured, if total property damage apparently exceeds \$1,000, or if you plan to make a claim for property damage.

Your insurance representative will ask you to supply the following information when making a claim

- The driver's name and driver's licence number.
- If you are not the owner of the car, the name and address of the registered car owner.
- The registered owner's car insurance policy number.
- The make, model, year, and registration and licence plate numbers of the cars.
- Details of the accident, including the date, time and location, and the names, driver's licence numbers and insurance particulars (name of insurer, policy number) of the other drivers.
- The names and telephone numbers of the passengers in all the vehicles involved.
- The names and telephone numbers of any witnesses.

• The licence plate and vehicle identification numbers of the other cars.

• Your injuries and the damage to the car you were in.

• Any apparent injuries to others involved in the accident.

• Any apparent damage to other cars and property.

• The name and badge number of the investigating police officer, if there was one.

• The company name and the municipal licence number on the tow truck, if applicable.

What happens next?

Once your claim is reported, the claims adjuster assigned to your file will contact you. In some cases the adjuster will want to meet with you in person, in other cases the entire claim will be handled over the telephone.

Your adjuster will determine how much of your claim is covered by your insurance policy, explain the coverage it provides, and help guide you through the entire claims process. Be sure to ask your claims adjuster about anything you don't understand.

FedNor Supports Special Events Training Manual Created in Chapleau

On April 8, FedNor announced its support to Centre Culturel Louis-Hémon de Chapleau to create a bilingual special events implementation manual.

Building Community Capacity for Planning and Coordination of Special Events in Rural Communities is expected to be completed in a year. The final product will be a comprehensive guide to assist communities in planning, coordinating, delivering and hosting special events in rural communities. This manual will guide readers through a user-friendly planning process; present a series of steps, procedures and guidelines through each component; and propose

solutions to difficulties and challenges associated with planning and coordinating special/rural events.

This initiative ties into Chapleau's efforts to diversify its economy. The community promotes itself as an arts and culture destination. Centre Culturel Louis-Hémon de Chapleau has built a reputation for producing large events with multiple sponsors and partners. The Centre has already received in excess of 170 requests for copies of the manual, which will also be available on compact disc.

FedNor is committed to investing in tourism-related promotion, events and

infrastructure because they pay off many times over through an increase in visitors and their associated spending," says Mr. St. Denis. "This initiative will help promote local events which will, in turn, attract additional visitors to Northern Ontario." FedNor is investing \$81,471 in this initiative.

"This special events manual will assist in training project coordinators and volunteers in communities across Canada to help them host successful events that residents and visitors alike can enjoy," says Diane Jean, General Director of the Centre. "Our Nature Festival was named one of Ontario's

top 50 festivals in 2003 and its success was the catalyst for the development of this guide."

FedNor works in partnership with Northern Ontario economic development stakeholders, key tourism partners and community organizations to ensure Northerners enjoy full access to the information and services they require to be successful.

By supporting the Centre Culturel Louis-Hémon de Chapleau through its programs and services, FedNor is *opening doors* and *building futures* for a prosperous Northern Ontario.

EMERGENCY PREPAREDNESS WEEK 2004 in Chapleau

The Council of the Township of Chapleau has designated the week of May 10th to 14th, 2004 as Emergency Preparedness Week in Chapleau.

The theme for 2004 is "**Prepare Now! Learn How**" because citizens are responsible for their own safety and that of their family.

In an effort to increase Community awareness of emergency management in Chapleau, the Township has scheduled the following activities:

At 3:00 pm on May 12th, 2004 the Township Emergency Alerting System will be activated. When you hear the continuous blowing of a train whistle, please tune to **FM 93.7** to hear a brief Emergency Management Message.

An **Open House** will be held at the Township's Emergency Operations Centre on May 12th, 2004, from 7:00 pm to 9:00 pm, Chapleau Public School, front, east entrance on Pine Street.

Elementary Schools are invited to make enquiries concerning tours on May 12th, 2004, of the Emergency Operations Centre.

Visit www.EPweek.ca on the Internet.

CHADWIC HOME, FAMILY RESOURCE CENTRE

Offers shelter, emotional support, and information for women and their children who are in crisis situations. We have a Toll Free Crisis Line which is staffed 24 hours a day. We can arrange for free transportation to the Centre for women who live in the Algoma/Chapleau area. We also offer support to women who live in the communities of Chapleau, White River, Dubreuilville, and Hornepayne through our Outreach Program. Our Outreach Worker travels to those communities to meet with women who need emotional support as well as information about their rights and options. If you need to speak with the Outreach Worker when she is in your community, you can call the Centre at any time to set up an appointment. You do not need to be a resident of the Centre in order to use our services. If you need someone to talk to or if you just need someone to listen, call our Toll Free Crisis ligne at 1-800-461-2242 or you can drop in at the Centre. We are here for you.

Scratch for a chance to win a trip to Tuscany with La Dolce Vita.

Grand prize - a trip for two to a prestigious culinary school in Tuscany.

Contest closes May 31

Life tastes sweeter after a week in Tuscany.

A trip for two to Tuscany may be a dream come true for one lucky winner and their guest. **Chapleau Village Shops** is pleased to announce a special sweepstakes that enables customers to potentially win a 7 day trip for two to the Villa Della Tuscany cooking school.

The trip is part of a new spring promotion, La Dolce Vita in Tuscany, that **Chapleau Village Shops** is hosting in conjunction with popular women's lifestyle brand French Dressing Jeanswear. In addition to the grand prize draw, customers also have a chance to scratch and win any number of Italian-themed prizes including 'The Slow Mediterranean Kitchen' by Paula Wolfert, Italian Travel Libraries from Frommer's, French Dressing Jeanswear aprons, bags and sun visors.

"Our spring 2003 line, called La Dolce Vita, is designed to reflect the sun-drenched colours of Tuscany, along with an easy-going lifestyle."

Join us on Friday May 14th at the Chapleau Village Shops for "vino & dolci" (non alcoholic champagne and biscuits)

AVIS DE L'ADOPTION D'UN RÈGLEMENT DE ZONAGE EN VERTU DE LA LOI SUR L'URBANISME DE 1990

VEUILLEZ PRENDRE CONNAISSANCE de l'adoption par le conseil municipal de Chapleau du règlement 2004-17 le 14e jour d'avril 2004, en vertu de l'article 34 de la Loi sur l'urbanisme de 1990.

ET VEUILLEZ PRENDRE CONNAISSANCE que quiconque peut en appeler de ce jugement auprès de la Commission des municipalités de l'Ontario. Prière de faire parvenir sa demande au greffier municipal au plus tard le 1er juin 2004, en y énonçant les motifs de son objection.

Seuls les individus, les sociétés et les agences publiques peuvent porter en appel un jugement de zonage. Ce droit n'est pas accordé aux organismes ou aux clubs non-incorporés. Toutefois, l'avis de porter en appel peut être déposé au nom d'un individu qui est membre de l'organisme ou du club en question.

LE BUT ET L'EFFET DU RÈGLEMENT 2004-17

Le règlement 2004-17 se veut un amendement à l'arrêté 89-19, règlement global de zonage. Il prévoit reclasser le terrain décrit ci-bas de 'Institutionnel I' à 'Résidentiel 2 (R-2)' pour permettre que le bâtiment situé au 26 rue Pine ouest soit utilisé entièrement aux fins d'habitation.

COORDONNÉES DE LA PROPRIÉTÉ FAISANT L'OBJET DE CETTE DEMANDE

Lot partiel 35 du bloc G, au 26 rue Pine ouest (anciennement l'église Pentecôtiste)

Normalement une carte montrant l'emplacement de la propriété à l'étude serait fournie pour fin d'examen. Ceci s'avère impossible compte tenu de l'espace exigé pour que la carte soit suffisamment lisible.

On peut examiner le texte intégral du règlement en y faisant demande au bureau du greffier municipal pendant les heures normales de bureau.

Pour de plus amples renseignements ou des clarifications à ce sujet, veuillez communiquer avec le soussigné.

S'il n'y a aucune objection au règlement 2004-17 dans les délais prescrits par le formulaire 1, il sera enchassé dans les règlements municipaux.

Daté au Canton de Chapleau, ce 9 mai 2004.
